

# CEV U20 Volleyball European Championship 2022

## Qualifiers Men

## Official foreword by the CEV President

Dear Volleyball friends,

The next generation of Volleyball stars is growing quickly as we could witness through the latest age-group competitions organised in Europe in 2020 and 2021 even amidst the challenging times we have been navigating following the outbreak of the global health crisis.

This year is especially packed with exciting competitions for our youngsters, with as many as six age-group European Championships in one year, an all-time record, including the inaugural tournaments for U21 women and U22 men.

There are large ranks of youngsters eager to compete internationally, in some cases maybe for the very first time, and National Federations are looking forward to reaping the fruits of the development programs that they have been running to grow their next generation of Volleyballers.

I wish the very best of luck and much success to all teams involved in the qualifiers leading up to the final stage of the U19 women's and U20 men's competitions due to take place later this summer in North Macedonia and Italy, respectively. I am very confident that they will all work hard to be able to perform to the best of their ability.

Moreover, I wish to thank all the organizers of these qualifiers for their dedication and commitment – and for the courage they are showing to provide our youngsters with an opportunity to play even in the most difficult circumstances. Let the talent of these young players blossom and their positive energy inspire many more to follow in their footsteps!

Sincerely yours,

Aleksandar BORIČIĆ  
CEV President
