## 1. Official foreword by the CEV President

Dear Volleyball friends,

The next generation of Volleyball stars is growing quickly as we could witness through the latest age-group competitions organized in Europe in 2020 and 2021 even amidst the challenging times we have been navigating following the outbreak of the global health crisis.

This year is specially packed with exciting competitions for our youngsters, with as many as six age-group European Championships, an all-time record, including the inaugural tournaments for U21 women and U22 men.

There are large ranks of youngsters eager to compete internationally, in some cases maybe for the very first time, and National Federations are looking forward to reaping the fruits of the development programs that they have been running to grow their next generation of talented Volleyballers.

I wish the very best of luck and much success to all teams involved in the final stage of the U17 women's and U18 men's competitions due to take place this summer in the Czech Republic and Georgia, respectively. I am very confident that they are all working hard to be able to perform to the best of their ability.

Moreover, I wish to thank the organizers of these championships for their dedication and commitment – and for the courage that they are showing in providing our youngsters with an opportunity to play at the highest level even in still difficult circumstances. Let the talent of these young players blossom and their positive energy inspire many more to follow in their footsteps!

Sincerely yours,

Aleksandar BORIČIĆ  
CEV President

## 2. Official foreword by CVF President

Dear friends and fans of volleyball,

I'm privileged to invite you on behalf of the Czech Volleyball Federation to the 2022 CEV U17 Volleyball European Championship – Women. It is a great honor for me to welcome the best players of this category to an international volleyball event of this level.

Hradec Králové and Prostějov are the cities where the best European volleyball teams in the U17 women's category will perform from 16<sup>th</sup> July till the 24<sup>th</sup> of July. These venues were chosen for their volleyball tradition and audience potential. Hradec Králové and Prostějov are going to be the centers of the European Championship holding both the preliminary group and then the final phase of the tournament as well. On the 24<sup>th</sup> of July we will know who the new European Champion is and the other two teams that will be standing on the podium.

The Czech Volleyball Federation has a lot of experience in organizing events of this size and the team of organizers will do their best for the smooth running of this championship. I am sure that volleyball fans will experience great and high-quality matches. They can watch young and talented players who will most likely become the volleyball stars of the near future.

I wish all players and team members, fans, organizers, and their staff a successful tournament. Enjoy your stay in the top-level volleyball cities of Hradec Králové and Prostějov, Czech Republic!

Sincerely yours,

Mgr. Marek PAKOSTA  
CVF President
