## Official foreword by the CEV President

Dear Volleyball friends,

The next generation of Volleyball stars is growing quickly as we could witness through the latest age-group competitions organised in Europe in 2020 and 2021 even amidst the challenging times we have been navigating following the outbreak of the global health crisis.

This year is especially packed with exciting competitions for our youngsters, with as many as six age-group European Championships, an all-time record, including the inaugural tournaments for U21 women and U22 men.

There are large ranks of youngsters eager to compete internationally, in some cases maybe for the very first time, and National Federations are looking forward to reaping the fruits of the development programmes that they have been running to grow their next generation of talented Volleyballers.

I would like to wish the very best of luck and much success to all teams involved in the final stage of the U21 women's and U20 men's competitions due to take place this summer in Italy. I am very confident that they are all working hard in order to be able to perform to the best of their ability.

Moreover, I wish to thank our friends at the Italian Volleyball Federation and the local Organising Committees of these championships for their dedication and commitment in providing our rising stars with an opportunity to play at the highest level. Let the talent of these young players blossom and their positive energy inspire many more to follow in their footsteps!

Sincerely yours,

Aleksandar BORIČIĆ  
CEV President

## Official foreword by the FIPAV President

Dear Volleyball friends,

It is with great pleasure that I send my personal greeting to all the people who are working for the organization of the 2022 CEV U20 Volleyball European Championship 2022 Men that will take place in Montesilvano and Vasto from 17th to 25th of September.

The Under 20 National Team is an important source of pride for our Federation. Many young player who went on to become champions at the senior level did represent the under 20 national team earlier in their careers. My wish is that even this group of young volleyball players can improve and then will be part of the National Team of tomorrow.

I hope that all teams will offer a great show: Italy, Poland, Serbia, Slovakia, France, Slovenia, Belgium, Czech Republic, Portugal, Bulgaria, Finland and Greece will play hoping to win the title.

To all member of the local organizing committee I want to send a special greeting and thank them for what they have done and will do in the next days.

Finally, thanks to all the authorities in the area for the availability they have shown towards our initiative.

See you all on the court !

Sincerely Yours

Giuseppe MANFREDI  
FIPAV President
